3-STEP SKINCARE SYSTEM

Kangen Beauté is an elevated three-step skincare ritual meticulously designed to unveil a youthfully radiant, profoundly hydrated complexion. In perfect synergy, each exquisite step prepares, nourishes, and seals in vital moisture - visibly refining the appearance of skin texture and delivering an enduring, luminous glow.

STEP 1 First Light Essence

Used in both Daytime and Nighttime skincare routines to refine skin texture and prep the skin surface for better absorption of the following steps.

STEP 2 Vital Rich Cream

Applied after Step 1, especially in the Nighttime Routine, to deliver intensive nourishment and help seal in moisture for a plump, supple appearance.

STEP 3 Crystal Ampoule Cream

The final layer for deep, intensive hydration and rich nourishment, used in **Nighttime Routine** and as needed for targeted care.

SUGGESTED USE

☀ Daytime

After cleansing, apply First Light Essence with a cotton pad, then gently pat to absorb. For dry skin, follow with a thin layer of Vital Rich Cream and Crystal Ampoule Cream.

🌙 Nighttime

After the essence, apply a pea-sized amount of Vital Rich Cream over the face, then layer Crystal Ampoule Cream for intensive nourishment and a comfortably moisturized feel.

🎯 Spot routine

Apply a small amount of Crystal Ampoule Cream twice over areas that look especially dry, rough, or dull for targeted care.

LE RITUEL EN 3 ÉTAPES 3-STEP SKINCARE SYSTEM

Kangen Beauté, une ligne de soins d'un luxe absolu. Conçu comme un rituel d'exception en trois étapes, il est méticuleusement élaboré pour révéler un teint à la jeunesse éclatante et profondément hydraté. En parfaite synergie, chaque geste exquis prépare, nourrit et scelle l'hydratation essentielle - pour lisser visiblement le grain de peau et lui offrir un éclat radieux et durable.

Kangen Beauté is an elevated three-step skincare ritual meticulously designed to unveil a youthfully radiant, profoundly hydrated complexion. In perfect synergy, each exquisite step prepares, nourishes, and seals in vital moisture - visibly refining the appearance of skin texture and delivering an enduring, luminous glow.

ÉTAPE I STEP I

Essence Éclat Premier / First Light Essence

S'utilise au cœur du rituel de jour comme de nuit pour lisser le grain de peau et préparer sa surface à recevoir et faire pénétrer idéalement les soins suivants.

Used in both **Dayti,me** and Nighttime skincare routines to refine skin texture and prep the skin surface for better absorption of the following steps.

ÉTAPE II STEP II

Vital Rich Cream / Crème Riche Vitale

S'applique après l'Essence Éclat Premier, idéalement lors du rituel de nuit, pour infuser une nutrition intense et sceller l'hydratation, révélant une peau visiblement repulpée et rebondie.

Used in both Dayti,me and Nighttime skincare routines to refine skin texture and prep the skin surface for better absorption of the following steps.

ÉTAPE III STEP III

Crystal Ampoule Cream / Crème Ampoule Cristalline

L'ultime bouclier de nutrition et d'hydratation profonde, à adopter chaque nuit et selon les besoins de la peau pour un ciblage sur mesure.

Used in both Dayti,me and Nighttime skincare routines to refine skin texture and prep the skin surface for better absorption of the following steps.
